Agreement

ETAC is the Authorized Distributor for Ki Mobility in the Country of Norway. Ki Mobility develops, manufactures and sells wheelchairs.

R & E Stricker GmbH develops, manufactures and sells equipment for wheelchairs and is referred to as the Aftermarket Component Manufacturer (ACP).

1. Agreement

ETAC accepts that ACP, without consideration is promoting and selling the items listed in exhibit A (The Products) for use on Ki Mobility wheelchairs.

2. Product liability

Because mounting of The Products changes the original configuration of the wheelchairs, the parties agree that ACP accepts responsibility for incidents connected with the correct deployment and use of The Products.

The supplier of The Products accepts full responsibility that they will provide both, installation instructions and instructions for use, specific to the Ki Mobility product being modified for all of The Products.

3. Governmental standards

If The Products supplied by ACP affect the product combination, ACP shall, at their own expense, ensure that the product combination meets the requirement of the relevant national and international standards.

4. Agreement period

This agreement is valid until cancelled by either party, giving three months notice, such notice to be delivered in writing. Each party will retain a copy signed by both parties.

Kompatibilitätsvereinbarung

Die unten aufgeführten Produkte sind prinzipiell geeignet, um mit den unten aufgeführten Stricker-Produkten kombiniert zu werden, vorausgesetzt, dass die Kombination fachmännisch und gemäß den Einschränkungen beider Hersteller vorgenommen wird. Die Einschränkungen beider Hersteller können bei den Herstellern erfragt werden.

Invacare GmbH Produkt	R&E Stricker Reha Entwicklungen GmbH Produkt
Küschall K-Serie 2.0 Hydroforming ab 2020 Küschall Champion ab 2020 Küschall Compact 2.0 ab 2020	Stricker Handbikes (manuell, hybrid, Zuggeräte)

Einige der oben aufgeführten Produkte benötigen Adapter mit der Bezeichnung "Vorbaufix".

Die im Benutzerhandbuch der beiden Hersteller genannten Maximalwerte und Einschränkungen sind zu beachten.

Die Kombination beider Produkte ist nur für ein zulässiges Benutzergewicht von 120 kg zugelassen.

Das maschinelle Bearbeiten, Biegen, Schweißen oder Verspannen an sicherheitsrelevanten Bauteilen ist nicht zulässig.

Die Kombinationsvereinbarung wurde in zwei Exemplaren erstellt, eines für jede Partei.

Bevollmächtigte Vertreter der Parteien haben diese Vereinbarung unterzeichnet.

Yes, you can.

Combination Agreement

The products listed below are in principle suitable for combination with the Stricker products listed below, assuming that the combination is carried out professionally and in accordance with the restrictions of both manufacturers. The restrictions of both manufacturers can be obtained from the manufacturers.

Wolturnus GmbH	R&E Stricker Reha Entwicklungen GmbH product
Wolturnus W5	Stricker Handbikes (manual, hybrid, electric)

Some of the above listed products need frame reinforcement kits named "Vorbaufix" adaption.

The maximum values and restrictions mentioned in the user manual of both manufacturers must be observed.

The combination of both products is released for a permitted user weight 120 kg only.

Machining, bending, welding or bracing on any safety relevant components is not allowed.

This agreement does not affect the responsibilities of the installer to review the related documentation, condition of the devices, and evaluate the safety of the combination in relation to the user.

All undesired events which a customer may experience related to safety and performance of this combination shall be reported to the manufacturers immediately.

All external communication, e.g. claims and incidents in respect to the combination, shall immediately be communication between the parties. In case of communication to Competent Authorities the parties will exchange information first. Support for requests from authorities and requests for investigations of adverse events shall be provided by both parties within the time frame defined by the authority or manufacturer.

Both parties shall communicate planned device changes if the combination may be affected one month before implementing the change.

The combination agreement has been made in two copies, one for each party.

Authorized representatives of the parties have executed this agreement.
